

You Couldn't Have Come At A Better Time

by Luka Bloom

Where is this place we've come to
We don't know what to say
We long to see each other
And are frightened of that day
You met me in a Burren place
You walked me to the hill
We were so good for each other then
I know we could be still

You couldn't have come at a better time
You couldn't have come at a better time
You couldn't have come at a better time
Not if you tried, oh no
Not if you tried, oh no

We have five hundred questions
Between you and me
But when you look into my eyes my love
Tell me what you see
Is it something you're not sure of
Is it something true and fine
Or is it just another case
Of the right thing at the wrong time

You couldn't have come at a better time
You couldn't have come at a better time
You couldn't have come at a better time

Since we were first together
By the lakeside sky so blue
We were so good for each other
Me and you and me and you and
Me and you and me and you

You couldn't have come at a better time
You couldn't have come at a better time
You couldn't have come at a better time
Not if you tried, oh no ...
